A project on the implementation of "Other State Laborers Registration Software System" in Kerala Police is known as the Universal Brotherhood Safety Management System (UBSMS). The project aims to gathering essential demographic data and documentation of the inter-state migrant laborers in Kerala. In Kollam Rural district Dy. Superintendent of Police, DCRB is nominated as the Nodal Officer of the above project with immediate effect. The instructions and guidelines are given below strictly followed by the nodal officer in Kollam Rural for the smooth implementation of the project.

1. Using a spare computer for UBSMS.
2. Preparing a Data Sheet of documentation of migrant labourers and given to all SHOs in Kollam Rural District.
3. The software to be installed all police stations and report compliance.
4. Update the District Level Data by Nodal Officer in every month as per the details received from the police stations.
5. Take necessary steps for giving training to the all station writers in Kollam Rural and concerned police personnel those who are deputed for data entry work imparting the norms adhered to in the data entry.

Shri. Sasidaran.S, SI of Police, Punalur Police Station shall assist M/s. MIT Karavalur for implementing the software in all the police stations in Kollam Rural and also he assist to DySP, DCRB for conducting the training programme.
